

**Quality Elite™**

**Introducing the Quality Elite™ line of supersweet corn from HARRIS MORAN.**

Quality Elite™ products are the best tasting, highest-quality sweet corn varieties available on the market today, with the traits and characteristics demanded by growers and desired by consumers.

**BRAND ATTRIBUTES**

**Diverse Lineup**

Quality Elite™ includes several unique varieties that meet multiple market requirements. From early to full season, you're sure to find a yellow, white, or bicolor that meets your needs and exceeds your expectations.

**Attractive Husk Package**

Quality Elite™ produces high-quality, well protected ears with dark green husk packages and multiple flag leaves for an attractive “just picked” look, ideal for any market.

**Taste & Appearance**

Quality Elite™ offers satisfyingly sweet and well-rounded flavor with tender glossy kernels for added visual appeal; perfect additions to any family's dinner table.

**Holding Ability**

Quality Elite's™ Sugary Enhanced genetic background contributes to good holding, giving you extended time to harvest in the field, transport product, and display on store shelves.
